REFERENCE(S)

- A) **0000-00,886**
B) **ARMED-70**

1. Headquarters concurs in the recommendation of ☐ that **ARMED** be terminated. **0000-15,851** contained Headquarters suggestion that contact with **ARMED** be primarily confined to using him as a spotter. Paragraph 16 of reference A certainly indicates limited potential along this line insofar as Italy is concerned and indicates that the time one would have to spend with **ARMED** would not be warranted by the returns.

2. ☐ will note from reference A that a copy of reference A was sent to **Trigoli** with a request for ☐ 's advice on the continuance. It is suggested, therefore, that termination proceedings be initiated on receipt of **Trigoli**'s comments on the continuance submitted by **ARMED** covering his stay in Italy.

3. Headquarters has no particular comments on the termination request outlined in paragraph 17 of reference A. The proposed settlement appears fair.

4. Reference in connection with the termination of **ARMED** should be changed to the G2 account of ☐ except for those which may be changed to **Trigoli**.
